

# Daily Dollar Questions 2017

Level 1.

For Year 1 and Year 2 students.

Curriculum level 1.

Written by Kate Simmonds.

## What to do:

## For students.

1. You may work in pairs or on your own. Your teacher or parent can help you.
2. Answer the questions.
3. If you are right you will get the dollar value for each question.
4. Each question is worth 20 Maths Week Dollars.
5. Your teacher will tell you the answers and how many Maths Week Dollars you have earned each day.
6. At the end of the week add up all of your daily totals.
7. Good luck!

2017

# Daily Dollar Questions

Level 1.

Friday

**Snow White.**

*Each question is worth 20 Dollars.*

1. Snow White had some dwarf friends in the fairy tale?  
How many dwarf friends did she have?

2. Goldilocks met a family of bears.  
There was Father Bear, Mother Bear and Baby Bear.  
How many bears were there?

3. The 3 little pigs keep getting their homes blown down by the big bad wolf. How many houses did they try to hide in?

4. Little Bo Peep had three sheep.  
She lost two sheep.  
How many sheep did she have left?

5. The old lady who lived in a shoe had 3 children.  
How many socks would she need to knit for her children?  
Each child will need two socks.

**How many Dollars have you earned this week?**

**Don't forget to add up all your Maths Daily Dollars!**
