Daily Dollar Questions

Level 2.

Monday:

Money Matters.

Each question is worth 20 Dollars.

Jeff goes into the bank and deposits \$651.

He already has \$300 saved.

1. How much more does Jeff need to save before he can buy a \$1000 iphone 7?

2. If Jeff chooses to buy a cheaper phone for \$850, how much would he have left in his bank account?

Burglar Bob creeps into the bank and steals \$500! As he runs out the door some money falls out of his sack.

- 3. If Burglar Bob drops five \$20 notes and five \$10 notes, how much money is left in the sack?**

- 4. Three more \$50 notes, two \$5 notes, nine \$2 coins and four 50 cent coins fall out of Burglar Bob's sack.**

How much money is now left in the sack?

- 5. Granny McGrogen catches Burglar Bob and is given half of the money that is left in the sack.**

How much is Granny McGrogen given?
