

For Year 1 and Year 2 pupils.  
Curriculum Level 1

## Survivor Series.

## Family Times.

Written by Kate Simmonds, Queenspark School, Christchurch.

### What to do.

### For pupils.

1. You can work with a friend.
2. Do the questions and enter your answers in your maths book.
3. When you have done each question check with your teacher to see whether you are correct.
4. If you are right try the next question.
5. If you are wrong, answer the question again.
6. There are 5 questions and 2 bonus questions each day.
7. When you have finished each day you will get the magic word to help you find the treasure.
8. At the end of the week put the 5 magic golden words together and find where the treasure is.

**Friday:**

## **NUMBERS AROUND US.**

**Survivor Series**  
**For Year 1 and 2 pupils.**

**Level 1**  
**Curriculum level 1**

1. **A Triceratops has 3 horns and a Triangle has 3 sides.  
How many wheels does a Tricycle have?**

2. **Here are some speed road signs we might see.  
Which is the fastest speed you can go?**

3. **Here are some letterbox numbers. Which number will come next?**

3. If these letterbox numbers are in order. What number is missing?

5. On this game of Hopscotch what is the highest number you can land on?

## BONUS QUESTIONS:

6. The Auckland Sky Tower is 328 metres tall and the Wellington Beehive building where the New Zealand Prime Minister works is 72 metres high.  
Is the Sky Tower taller than the Beehive?

7. The Rakaia River bridge in Canterbury is one of our longest bridges at 1757 metres long.  
The Auckland Harbour bridge is 1020 metres long.  
Is the Auckland Harbour bridge longer?
