What to do.

For pupils.

1. You can work with a friend.
2. Do the questions and enter your answers in your maths book.
3. When you have done each question check with your teacher to see whether you are correct.
4. If you are right try the next question.
5. If you are wrong, answer the question again.
6. There are 5 questions and 2 bonus questions each day.
7. When you have finished each day you will get the magic word to help you find the treasure.
8. At the end of the week put the 5 magic golden words together and find where the treasure is.
