Survivor Series Level 3
Year 5 and 6 students.

Survivor Series 2017   Level 3

For Year 5 and Year 6 students.
Curriculum level 3.

What to do.   **For students.**

1.   You can work with a friend or two friends!
      Teams can be different each day.

2.   Do the tasks and enter your answers in your maths book and
      show your teacher.

3.   If you are right you will get the next task.

4.   If you are wrong, answer the task again.

5.   When you have finished each day you will
      get a code word.

6.   At the end of the week you will have 5 code
      words. Put them together and this will tell
      you where your school's Maths Week
      treasure is.

7.   Good luck !

Wednesday: Famous Mathematicians.

Survivor Series   **Level 3**
For Year 5 and Year 6 students   **Curriculum Level 3**

For these Tasks you may need your computer !

Task One.

Many really famous mathematicians have been recognized by having their pictures on stamps. You will notice on this stamp which is from Greece the name starts with

$\Pi'Y$ ... this is the same as PY in our language.
What is the name of the famous mathematician on this stamp?

Task Two.

Here are two stamps of the famous English mathematician Sir Isaac Newton. One stamp is from Germany and the other from France.

(a)   Which stamp is from Germany?
(b)   There is something different in each of these stamps. What is it ?
(c)   Why is there the difference?

Task Three.
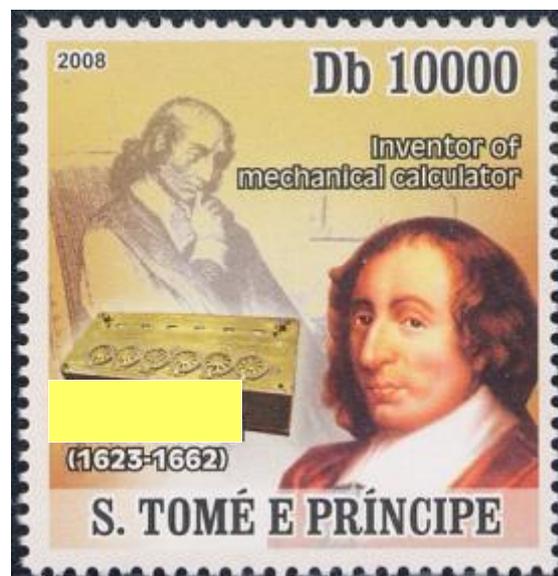

This stamp has been issued by CCCP which is now the country called Russia. Who is the famous mathematician?

He is a New Zealander !
